

SAGINAW DEFEATS ALMA HIGH TEAM

ALMA ELEVEN BATTLES HARD
UNTIL CONDITION TELLS IN
FINAL QUARTER.

Playing against a team at least ten pounds heavier to the man, Alma high forced Saginaw East Side high to go the limit in fight Saturday to win by score of 16 to 0, the points coming on two touchdowns and a safety.

Alma was woefully weak on the offensive, and not once during the entire game could make a first down on line smashing or end runs. Only two first downs were made, these coming on two successful forward passes out of four attempts. The surprise of the game to the Alma fans, who were on the side lines was that Alma did not resort more often to the aerial contest, after repeated efforts to smash down Saginaw's forward wall failed. Only in the third quarter when Alma got away with both of her successful passes did the team outplay the Saginaw eleven.

On two occasions, one in the first quarter and one in the third, after a Saginaw punt had got away from Warner and rolled to the goal line, Saginaw had splendid scoring chances but the defense of the Orange and Black in the shadow of its own goal was too strong and Alma took the ball on downs.

Saginaw's first touchdown came in the second quarter, when after a series of end runs and line-smashes the ball was carried to the eighteen yard line, where Captain Gillingham with a slashing drive went through right tackle for eighteen yards, to the goal.

Right after the fourth quarter opened, the Alma eleven weakening rapidly, failed to hold when Elias was punting from behind his own goal and he was nailed for a safety. About a minute before the final quarter ended Gillingham smashed across the Alma goal for the second touchdown, little resistance to the Saginaw offense being shown in the final few minutes of play, when the lack of condition of the Alma aggregation commenced to be shown. Had it not been for this lack of condition it is probable that Alma could have staved off this final touchdown, as previously the defense in front of the goal line had proven more than a match for the Saginaw offensive work.

Here's an Alma fact.
You can test it.

Fred A. Davis, carpenter, 112 Wheeler Ave., says: "About a year ago my back was in bad shape. Mornings when I got out of bed, I suffered terribly. I had to get up slowly and my back was so lame and sore that I could just about lift. When I worked very hard, black spots appeared before my eyes and at times I was almost blinded. My kidneys were very weak and I had to get up often during the night. The secretions scalded in passage and were highly colored. Don's Kidney Pills were recommended to me and I got a few boxes at Murphy's Drug Store. They cured me."
